At St Joseph's we are committed to providing an outstanding Catholic education that nurtures both academic excellence and spiritual growth. Our school has a supportive and dynamic environment, where staff development is a priority, and leadership opportunities are actively encouraged.

- A qualified teacher (QTS) with at least four years of experience in a Catholic school – this experience can be in EYFS, KS1 or KS2.
- A passionate teacher with strong leadership potential – whether you are an experienced leader or early in your leadership journey, we will invest in your development.
- Someone with a deep understanding of the RE curriculum and the ability to inspire pupils and colleagues.
- A team player with excellent communication and interpersonal skills, ready to contribute to a supportive school community.

### What We Offer:

- A strong, supportive leadership team committed to professional development.
- A school with high expectations and a strong sense of community.
