

ST JOSEPH'S CATHOLIC PRIMARY SCHOOL

MISSION STATEMENT

***Inspired by St Joseph, together with Christ,
we learn, we grow, we love.***

As a Catholic school, St Joseph's aims to foster mutual respect and nurture the faith journey of all who teach, learn and work within the school community.

We aim to develop the full potential of each individual academically, socially, and spiritually, whilst valuing the uniqueness of each person's culture.

Working in partnership with families and parishes, we expect high standards of work and of behaviour from the pupils of our school.

Our intention is to create a welcoming and caring atmosphere and a stimulating environment.

.....Attempt to develop the full potential of each member of the community by aiming for high standards in teaching, learning and in the way we live together.

.....Work co-operatively as part of a much wider community of faith which includes the parish, parents, governors, the diocesan and local authorities and all who have contact with the school.
